1:00pm

Wild Archaeology “Turtle Island,” - 4th thru 8th grade

Jen reconnects with her family at the Serpent River Pow Wow in Ontario; the team explores a quartzite quarry on Manitoulin Island.

After watching this episode, choose from the following questions and/or tasks to extend your learning

- | |
|--|
| <ul style="list-style-type: none"> • What does the team learn about the oldest quartzite quarries in North America? • How does this evidence collected corroborate the oral history of this region? • What is geomythology? • What is the purpose of a Laser Ablation machine? Describe how it works? • What is the art of flint knapping? • Why is it important to connect evidence to oral history? • What have the indigenous people always known about this region? • Why is oral history important? |
| <ul style="list-style-type: none"> • How would you have responded when you heard stories of the past linked to the artifacts you found? • What stood out to you and why? |
| <ul style="list-style-type: none"> • Write Jen’s travel journal, as she re-connects with her family and Chief Isadore Day at the Serpent River pow wow, Ontario.
Learn more about the Snake River First Nation:
https://www.serpentriverfn.com/history |
| <ul style="list-style-type: none"> • Create a family tree. Ask your family for information about your ancestors. |
| <ul style="list-style-type: none"> • Research a family tradition. Tell what it is and how it was passed down through the generations. How far back does your family tradition go? • Practice telling your personal oral history. Present your personal oral history to a camera or family member/friend. Score your presentation or ask the people watching your presentation to score you (3 being the highest) based on the following: |
